#VALUE!										
Training Provider (Name of Organization): Advanced Technology Education										
Program Name	Program Description	Credential Awarded	Delivery Method	Program Length (Weeks)	Total Cost	Entry Requireme	Target Occupations	Designated SOC Code	Industry Sector	50%
CCNA Networking	CCNA Introduces the architecture, structure, functions, components, and models of the Internet and computer networks. The principles of IP addressing and fundamentals of Ethernet concepts, media, and operations are introduced to provide a foundation for the curriculum.	Industry Recognized Certificate or Certification (IRC)	Hybrid	16	\$6,400.00	wonderlic	Computer Network Architects	15-1241	Information Technology	
IT Support Specialist	This course is appropriate for anyone entering the IT field, current computer technicians, help desk technicians, and LAN support specialists.This course is the definitive solution for acing the A+ exam.	Industry Recognized Certificate or Certification (IRC)	In-Person	16	\$6,400.00	wonderlic	Computer and Information System	11-3021	Information Technology	
HVAC	This program covers the basic principles of heating, ventilation, and air conditioning. The EPA Section 608 certification test fee is included. (You must hold EPA certification to purchase and work with AC chemicals.)		In-Person	21	\$4,500.00	wonderlic	Heating, Air Conditioning, and Ref	49-9021	Advanced Manufacturing	2250
Amazon Web Services (AWS)	AWS is the most popular and most widely used cloud platform in the world. This course will teach you design principles, including strategies for networking, storage, DNS, DBaaS, Monitoring, Load Balancing, and much more.	Industry Recognized Certificate or Certification (IRC)	Hybrid	16	\$6,400.00	wonderlic	Computer Network Support Specia	15-1231	Information Technology	
Cybersecurity Bootcamp	This class is designed to prepare anyone from any background for an entry-level job in cybersecurity. Our expert-designed curriculum includes training and passing industry-recognized certifications to set the foundations for a cybersecurity professional. In addition, your coursework comprises four weeks of training on a world-class cyber range that mimics real-life cyberattacks.	Industry Recognized Certificate or Certification (IRC)	Hybrid	84	\$14,285.00	Wonderlic	Computer and Information System	11-3021	Information Technology	
Fiber Optic Cabling Technician	This introductory course equips students with essential skills and knowledge for a career in the broadband industry. Gain the essential skills for a career in communications technology with the Basic Fiber / Copper Installer program. You'll learn to install systems like fiber optics and be ready to earn the BICSI Installer 1* (INST1*) certificate. This non-renewable certificate	Industry Recognized Certificate or Certification (IRC)	In-Person	16	\$4,500.00	Wonderlic	Telecommunications Equipment In	49-2022	Advanced Manufacturing	
IT FUNDAMENTALS	The IT Fundamentals+ (ITF+) Certification course helps professionals to decide if a career in IT is right for them or to develop a broader understanding of IT. ITF+ is the only pre-career certification that helps students or career changers determine if they have a competency for information technology and if it is the right career path for them.	Industry Recognized Certificate or Certification (IRC)	In-Person	8	\$2,400.00	wonderlic	Computer and Information Resear	15-1221	Information Technology	
Network +	Our course serves as your compass in an interconnected world where networking knowledge is paramount. We have strategically designed each module to encapsulate the core facets of the CompTIA Network+ certification. By enrolling, you're not just learning but embarking on a transformative journey towards becoming a certified networking expert.	Industry Recognized Certificate or Certification (IRC)	Hybrid	16	\$4,500.00	wonderlic	Network and Computer Systems A	15-1244	Information Technology	
Pharmacy Technician	The training covers a wide range of topics you will need to be successful. You will learn pharmacy law, introductory chemistry, procedures, and medical terminology. You will also gain valuable experience with basic computer operations such as data entry, which is vital to maintaining patient records.	Industry Recognized Certificate or Certification (IRC)	Hybrid	24	\$14,230.00	wonderlic	Pharmacists	29-1051	Healthcare	
Autodesk Fusion 360	You will master the key skills required to design 3D parts and assembly models and document these models in 2D drawings. Prepare to pass the Autodesk® Fusion 360® Certified User exam	Industry Recognized Certificate or Certification (IRC)	Hybrid	24	\$4,500.00	wonderlic	Computer Numerically Controlled	51-9162	Advanced Manufacturing	

CompTIA Linux+	In this program, you'll learn the fundamentals you need to obtain a CompTIA Linux+ certification and start a career as a Linux Database Administrator. This program will prepare you for a career as a Linux Database Administrator and qualify you to take the CompTIA Linux+ certification exam.	Industry Recognized Certificate or Certification (IRC)	Hybrid	16	\$4,500.00	wonderlic	Computer Hardware Engineers	17-2061	Information Technology	
Cloud Architect	CompTIA Cloud+ is the only performance-based IT certification that views cloud-based infrastructure services in the context of broader IT systems operations regardless of the platform. Migrating to the cloud presents opportunities to deploy, optimize, and protect mission-critical applications and data storage. CompTIA Cloud+ validates the technical skills needed to secure these valuable assets.	Industry Recognized Certificate or Certification (IRC)	Hybrid	12	\$6,400.00	wonderlic	Software Developers	15-1252	Information Technology	
Data Analyst	CompTIA Data+ is an early-career data analytics certification for professionals developing and promoting data-driven business decision-making.	Industry Recognized Certificate or Certification (IRC)	Online	12	\$2,400.00	wonderlic	Management Analysts	13-1111	Information Technology	
Java Developer	These Boot Campers will be trained and ready to work as junior-level Java Developers and will be certified as Professional Scrum Master Level 1 (upon passing the certification exam).	Industry Recognized Certificate or Certification (IRC)	Online	28	\$14,500.00	wonderlic	Computer Programmers	15-1251	Information Technology	
Automation	The Automation Certificate program will give students a solid background in electrical basics and the usage of programmable logic controllers (PLCs) to control automated industrial processes.	Industry Recognized Certificate or Certification (IRC)	In-Person	24	\$14,500.00	wonderlic	Electrical and Electronic Engineers	17-3023	Advanced Manufacturing	
OSHA 10Hour General Industry	The 10-hour General Industry Outreach Training Program is intended to provide an entry-level worker with general awareness of recognizing and preventing hazards in a general industry setting.	Industry Recognized Certificate or Certification (IRC)	Hybrid	4	\$1,500.00	wonderlic	Accountants and Auditors	13-2011	Advanced Manufacturing
